EVALUATION OF ATTAINMENT OF PROGRAMME OUTCOMES
AND COURSE OUTCOMES

The college follows formal (direct method) as well as an informal mechanism (indirect method) for the measurement of attainment of the outcomes; however, the attainment is computed only by considering formal mechanism.

Formal Mechanism (Direct Method):

- **Pass Percentage:**
The evaluation of attainment of Course Outcome of the department is done by the marks/grades by the students in the final semester and university examination of each course (paper) of the program. The evaluation of attainment of Program Outcomes of the department is done from the pass percentage of the students in the final semester end university examination of the program. Finally the evaluation of attainment Program Outcomes of the college is computed by calculating the average of pass percentage of all students of each department of the college.
- **Feedback from Students:**
The Institute also collects the feedback from the students on attainment of Course Outcomes and Program Outcomes.

Informal Mechanism (Indirect Method):

Attainment of program outcomes and course outcomes are also evaluated by indirect methods (Informal Method) through the Class Test, student's active participation in classroom interaction, attendance, home assignment, seminar presentation, group discussion, survey, research project, quiz, viva-voce and competitions. These test the conceptual understanding, memory, specific knowledge, communication, application, critical thinking and writing skills.
