**ACADEMIC YEAR 2023-24**

**MECHANISM OF INTERNAL ASSESSMENT**

The prime importance is given to the mechanism of internal assessment to be transparent and robust in terms of frequency and mode. The separate provision of marks is made for the oral conduct of the students. Written and oral communication skills, projects presentation, Viva -voce evaluation. Significant improvements made in ensuring rigor and transparency in the internal assessment and given below:

**\*Transparent and Robust:-**

We have conducted test for internal assessment. Different internal assessment process like assignment, research projects, presentation, Viva -voce examinations, competitions were conducted transparently. We also have the provision of well-equipped examination/ strong room cap room for transparent and Robust mechanism of internal assessment.

**\* Frequency of the Internal Assessment:-**

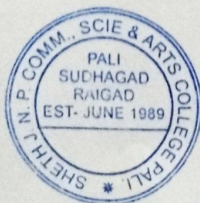

As per the university guidelines, internal evaluation examination like project presentation and Viva -voce are conducted at the end of each semester. Similarly other modes of internal evolutions like assignment, test and competitions are conducted periodically by the departments.

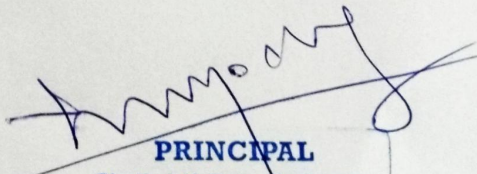

**\* Different modes of internal Assessment:-**

The modes of internal assessment adopted by the college include internal examination, practical examination, research project presentations, home assignments, Viva -voce, competitions and participate to activities.

**The Institute of initiatives for Continuous Internal Evaluation of the students by adopting following informative evaluation approaches:**

- \* Attendance in the class
- \* Active participation in the classroom interaction.
- \* Question answer sessions
- \* Participation in curricular co-curricular and extra-curricular activities / competition.
- \* Home assignments
- \* Unit tests
