About College

Established in 1989, Sheth J. N. Paliwala College, Pali is a leading institution of higher education affiliated to the University of Mumbai. The college is managed by the Sudhagad Education Society and is committed to fostering academic excellence, social values, community engagement, and holistic development of students from rural and semi-urban regions.

With a vision to educate, empower, and elevate, the college offers undergraduate and postgraduate programs across Arts, Commerce, and Science, along with professional and skill-oriented courses. The institution emphasizes inclusive education, ensuring access to quality learning opportunities for first-generation learners.

The college maintains well-equipped laboratories, a rich library, ICT-enabled classrooms, sports facilities, and active student

development cells including NSS, DLLE, Women Development Cell, Cultural Committees, and Research & Innovation Forums. Faculty members are engaged in research, publications, field projects, and community outreach contributing to regional development and knowledge-building.

The institution consistently organizes seminars, workshops, extension activities, and academic collaborations to enhance global and interdisciplinary exposure. The college is dedicated to promoting sustainable development values, environmental awareness, and leadership among youth.

As a growing center of learning, Sheth J. N. Paliwala College continues to strive for academic quality, ethical engagement, and societal contribution in alignment with the goals of National Education Policy and international educational standards.

About the Conference:

The International Conference on **“Sustainable Growth, Digital Transformation, and Knowledge Integration for a Viksit Bharat 2047”** brings together scholars and experts from **Economics, Commerce, Geography, and**

Library Science to discuss emerging interdisciplinary trends. The conference explores how digital innovation, sustainable development, geospatial intelligence, and knowledge management can collectively support inclusive and future-ready growth.

Through keynote lectures, technical sessions, and research exchanges, the event

aims to promote academic dialogue and strengthen collaborative research.

Objectives of the Conference

1. To provide a platform for interdisciplinary academic dialogue among researchers, academicians, professionals, and students across Economics, Commerce, Geography, and Library Science.
2. To explore emerging trends and challenges related to digital transformation, sustainable development, knowledge management, and spatial planning.
3. To encourage high-quality research and innovation that contributes to national development priorities and the vision of *Viksit Bharat 2047*.
4. To promote collaboration and knowledge sharing between institutions, industries, policymakers, and the academic community.
5. To support evidence-based decision making by integrating economic, commercial, geographical, and information science perspectives.
6. To strengthen research competencies and enhance academic contributions at national and international levels.
